1412 Viscaya Parkway  
Cape Coral, FL 33990  
1-239-574-2540  
customerservice@preshers.com

Your Saw Blades will be cleaned and sharpened back to better than manufacturer specs. Dipped in protective coating and shipped back in less than 1 week.  
**Free** return shipping on 10 or more blades.

**Shipping:** When shipping your saw blade(s) please be sure they are well protected. Include this Preshers Tool & Fastener Form listing all items in the package.

**Note:** Preshers Tool & Fastener will automatically replace up to (3) chipped, missing or damaged teeth and the additional charges will be added and charged against your payment option. Any Saw blades needing more than 3 teeth replaced we will contact you for approval and let you know what the additional charges will be. Shipping and handling charges apply to the return of all saw blades under the quantity of 10. If a saw blade is deemed unrepairable it will be returned with "NO WORK DONE - REPLACE SAW BLADE".

**We are currently only offering this service for Carbide Saw Blades, please do not send other items that need sharpening without contacting us prior to sending them in.**
